we the Commissioners appointed by the worshipful Court
 of Chancery at their November Term 1803 To settle the account
 current of the Estate of Samuel Hainstone and with the
 executor and to divide and allot the Estate among the Legates
 Report that we have carefully examined and compared
 the vouchers with the different charges exhibited in
 the account and find both from the information
 of the Executor and vouchers produced that the account
 is just and right a balance appearing in favour of
 the Estate of three hundred and sixty three pounds
 thirteen shillings and five pence which includes the
 interest on the four hundred pounds for which the
 860 acres of the brick house land sold (the interest on
 one one hundred pounds of which is estimated 16
 December 1803 as appears by the account also includes
 the interest on two bonds and the Estate in 1782 one
 for thirteen pounds and one for nine pounds which
 bonds are now in the hands of the Executor also
 includes four pounds seven shillings and eleven pence
 which was Samuel Philips and Jane Jackson
 late Jane Philips have received more than their
 proportion and on dividing and allotting the

Estate among the Legates agreeable to the decree and the
 Testators last will and Testament find their respective net
 proportions to stand (after deducting from each what we
 deem fair proportions of the expenses) as follows. Viz To George
 Peter and Samuel Hirstons the sum of one hundred and
 thirty three pounds three shillings and seven pence each
 in all three hundred and ninety nine pounds ten shillings
 and nine pence and it appearing they have received
 of the Executor the sum of sixty six pounds thirteen
 shillings and four pence each in all two hundred pounds
 leaving a balance now due them of sixty six pounds
 ten shillings and three pence each, in all one hundred
 and ninety nine pounds ten shillings and nine pence
 To David Moore and Pricilla his wife late Pricilla Hairs-
 tors the sum of sixty four pounds fourteen shillings and
 two pence half penny including the boy Davie which
 said boy they have received agreeable to the will con-
 -sequently the balance now due them is thirty four
 pounds fourteen shillings and two pence half penny
 To Margaret Hirston the sum of sixty four pounds
 fourteen shillings and two pence half penny and to
 Sally Hirston infant daughter Susanna the sum of
 sixty four pounds fourteen shillings and two pence
 half penny making in all now due the said David
 Margaret and Sally the sum of one hundred and sixty
 four pounds two shillings and eight pence To Samuel
 Philips and Jane Jackson late Jane Philips the sum
 of one hundred and ninety seven pounds seventeen
 shillings and eleven pence and it appears they have
 received the sum of two hundred and two pounds
 five shillings and ten pence which is four pounds seven
 shillings and eleven pence more than their due
 also seems it necessary to remark that from information
 of the Executor there is as such or suits yet depending
 and undetermined as which is respectfully submitted given
 under our hands this 7 day of June 1814
